

CEO Report July 2021

As the inaugural CEO of The Academy, I am thrilled to be part of this wonderful organization that will keep each member at its heart. A quote by Andy Rooney says it all,

*“Everyone wants to live on top of the mountain, but all the happiness and growth occurs while you are climbing it.”*

Isn't this the truth? Get ready for the ultimate climb! This journey will be one in which you will grow and joyfully engage with many professionals who seek to transform lives across the lifespan through health and physical literacy.

Maria Melchionda,
