

## Call for Research Poster Abstracts

National Academy of Health & Physical Literacy Summit 2024  
April 7-10, 2024 – Baton Rouge, Louisiana

The National Academy of Health and Physical Literacy invites submissions of abstracts of research to be considered for presentation as a research poster at the National Academy of Health and Physical Literacy Summit 2024 which will be held April 7-10, 2024, in Baton Rouge, LA.

- The deadline for submissions is **October 30, 2023**.
- The lead author will be notified of acceptance or rejection of the proposal by **December 1, 2023**.
- Abstracts must not have been presented or published previously nor should they be simultaneously submitted for consideration at other conferences.
- Authors who agree to present an accepted paper are responsible for ensuring the paper is presented at the Summit.
- Presenters must be members of the National Academy of Health and Physical Literacy and register/pay the registration fee for the 2024 Summit.

### Abstract Details:

- After the title of the abstract, list author's names and institutional affiliations (no departments) in the order they should appear (e.g., Nancy L. Thigpen, University of Florida; Louis Williams, South Carolina State University).
- Abstracts should be a **maximum of 2000 characters**. (The online system will not accept more than 2000 characters.)
- Abstracts must include:
  - **Purpose:** background information and a statement of the problem/purpose/rationale for the study.
  - **Methods:** information on the participants, methods/procedures, and data analysis in sufficient detail.
  - **Results:** a summary of the findings that provides a clear description of the results.
  - **Discussion/Conclusion:** A discussion of the relevance/application of the findings.

**Submit your proposal here!**
