

Poster Presentation Guidelines

National Academy of Health & Physical Literacy Summit 2024

April 7-10, 2024 – Baton Rouge, Louisiana

All individuals must be registered for the Summit to present a poster. Online, mail-in registration, and hotel information can be found at: www.nahpl.org

Poster Presentations:

- The poster presentation format offers an opportunity to illustrate your research visually (using charts, photos, diagrams, and text) and affords an opportunity for dialogue with Summit attendees circulating among the poster presentation area.
- The attending author(s) must remain by their poster for the duration of the designated session.

Preparing the Poster Board:

- Posters are to be no larger than 3 feet (height) x 4 feet (width).
- Presenters must bring their own thumbtacks to affix their poster to the board.

Style:

- There are no fixed requirements for font style or size, however, it is important that you prepare your poster so that it is easily readable from several feet away.
- Figures and tables summarizing data are effective ways to communicate results, and color adds to the presentation.
- Presenters must affix the poster to the display board during the 30 minutes prior to the scheduled start time and remove the poster immediately following the session.

Please respond to this email, and confirm your attendance, by emailing:
